NURTURING
CHILDREN'S
POTENTIAL

EVERY DAY IS A NEW CREATION

Your child will love New Creations Preschool. We know, because we will work hard to make sure he or she does. We provide stimulating, hands on approach to learning with activities centered on age appropriate learning activities and the children's interest in a Christian environment. These activities will help your child grow as a whole person **INTELLECTUALLY, SOCIALLY, EMOTIONALLY AND SPIRITUALLY.**

FREE CHOICETIME

Children get a chance to choose what they would like to do. Choices include blocks, dramatic play, math manipulative (hands-on learning with counting, sorting, and puzzles), writing, reading corner, art table, and sensory media table. Children tend to go where their own development leads them. This free choice time builds self-esteem and confidence as they challenge themselves, learn, and succeed.

GROUP TIME EXPERIENCES

Children enjoy stories, Jesus time, learning a letter of the week, singing, discussions, and movement experiences.

LETTER OF THE WEEK

Each week of the school year, we focus on one letter of the alphabet, creating a theme through rhyme, song, stories, games, art projects, station creative play, and even snack time. We also provide optional homework lessons to give you a chance to work with your child at home if you wish. The Letter of the Week introduces, reinforces, and helps your child master letter concepts and sounds, preparing for success in kindergarten and beyond.

NUTRITIOUS SNACKS

Each week, we post a snack menu. At snack time, we recite a snack time prayer. Parents are asked to periodically provide the snack.

OUTDOOR PLAY

Our spacious, enclosed play yard gives your child the opportunity to exercise and develop large motor skills every day, weather permitting. We offer climbing, running, sand box, riding tricycles and scooters. If the weather is inclement, we have large motor playtime in the Community Room, a large open room with plenty of space.

IN HOUSE SPECIAL EVENTS

Throughout the year, we plan special events and activities, such as a firefighter visit to learn fire safety and explore an actual fire truck and ambulance. With visits from the Gail Borden Library Readership for stories, songs and finger plays as well.

FIELD TRIPS

To extend your child's learning experience, we plan two field trips per year. In the fall we visit the Lord's Park Museum, and in the spring we visit the Randall Oaks Petting Zoo. Parents may volunteer to chaperone these events.

EXTRA BENEFITS

We strive to make your child's experience as fruitful as possible. For your child's health; Kid Care Vision and Hearing conducts a vision and hearing screening on each child. For supplemental excitement, your child has opportunities to order books throughout the year. We also have school photos taken twice a year.
